GLASS BOTTLE BLOWERS' SCALE. No Change Made at the Conference

with Manufacturers. ATLANTIC, N. J., July 31.-The wage committee of the National Green Glass Bottle Manufacturers' Association and the Green Glass Bottle Blowers' Union to-day continued consideration of rules and regulations for the government of factories during the coming year. Manufacturers and men are divided on several important rules, principally on the amount of wages. Heretofore in most factories blowers have received \$40 every two weeks, the amount over \$20 n week carned being putd at the end of the month. In some cases employed have allowed their extra tay to remain in the hands of employers until the end of the blast. To-day blowers asked for payment of the full amount of earnings every two weeks. They claim the manufacturers have the use of their money without pay-

The wage question occupied the atten- Nebraskans Using Mortars to Shoot tion of the conference during the entire afternoon session and was finally decided in favor of the manufacturers. The existing system of payment of wages will not be changed. President Hayes, of the Glass Blowers' Union, was strong advocate of a new system, his argument being that if they could invest their extra earnings to weeks, the mercury in the government the better advantage than by leaving their money in the hands of the employers. The manufacturers' committee were not willing city, and in fact at no time came within to grant the demand of the blowers and the | 4 degrees of that mark, which has been effort to alter the wage system at this

# Hard Fight at San Francisco.

SAN FRANCISCO, July 31.-There wer few changes in the local labor situatio and no serious disturbance occurred to day. The employers say there is nothing ! sight but a hard battle. Two of the b steamship companies assert that they as getting nonunion men to fill the places of some of the strikers and believe they can, began, within a short time, secure all the men they need. An intimation was made that the steamship companies would, if necessary, bring men to San Francisco from other points in the United States. Arriving vessels to-day were deserted by their crews who immediately went to headquarters of the Sailors' Union. Several foreign vessels | Special to the Indianapolis Journal. are being loaded by their own crews. The drivers for the Pacific Transfer Company were called out to-day. This will have a serious effect on the handling of baggage. The sand teamsters were also ordered out. This new development may put a stop to building operations throughout the city.

# General Labor News.

Fifty new men went to work yesterday in the Chesapeake & Ohio car shops at Huntington, W. Va., and as many more will be ready for duty this morning. These men take the places of the strikers who quit work on Tuesday.

Secretary Harry Barter, of the International 'Longshoremen's Union, has ordered a strike to affect the boats of the Anchor line in all lake ports. The Anchor line refused to concede to demands made by the 'longshoremen at their convention in

MILWAUKEE, Wis., July 31.-The Sentinel to-morrow will say that it has excellent authority for stating that two important changes will take place in the make-up of the American League next season. According to the Sentinel's informant, President Kilfoyle, of Cleveland, will sell his franchise and the Cleveland team will be found playing in St. Louis next year. Baltimore, too, it is said, will be out of the league after this year, being booked for transfer to New York city.
